

I am, Tim Beauchamp, and I joined the United Sportsmen's Club in 2017.

Mostly I shoot Skeet and Sporting Clays.

I am a member of the Skeet Committee and run the Skeet fields several times a year and help on "Work Days".

I am active in Sporting Clays and help with most workdays when I am not on the road with my employment.

However, I also use the Rifle and Pistol Ranges frequently.

I believe the Board should strive to represent the members and act in the best interest of the Club.

If elected I will approach my duties seriously and vote to improve the USC.

I would appreciate your support and vote for Board Member in the upcoming election.

Thank You,

Tim Beauchamp
