

**I am, Gregg Pearre, and I am running for USC Vice President for 2025.** I currently do not hold any position with the USC. I have been a member of USC since the early 1980's. I have served the club in many ways during my years with the club. I served on the board for over 30 years. I have served as the Rifle range chairman (two different times) during which time I also served as Match Director Rimfire Rifle silhouette. As Pistol Range Chairman, I was responsible for bringing IPSC and NRA Action Pistol to the club and served as match Director for those disciplines for many years. I also served as the Archery Chairman and ran the Youth Archery League for many years. I have served on the Sporting Clays committee, Trap and Skeet committee along with being on the Muzzle Loading committee. I am also a NRA Chief Range Safety Officer in charge of conducting the RSO for the rifle range. I list all this to show I am more than someone that just talks about it, but also willing to do something about it.

I am retired for the NRA and have been in professionally involved in the firearm industry for over 35 years. I hold a BS in Business Administration degree. My memberships include, Benefactor Member

of the NRA, Life member of USPSA, RMEF Member. I have been a competitive NRA Action pistol shooter, holding a National Record, multiple state championships, Regional Championships, along with numerous local match wins. Also, past Hunter Silhouette Pistol State Champion. I also serve on the Capital City Friends of NRA committee.

As Vice President I hope to bring back some **honesty** and **integrity** to the Board. I believe that the club's rules and regulations as laid out in the Club's SOP's and bylaws should be applied equally to all members. Recently I do not think that has been the case.

I would encourage each USC member to contact current and previous BOD members and ask why they have chosen to not run for the BOD. The placing of personal gain and friendships above good order and discipline should not be put before what is the best for the entire club.

Thanks for reading my BIO. Please feel free to reach out to me at any time. Email at [MONRA@socket.net](mailto:MONRA@socket.net)

Please **VOTE !**
