

I am Karey E. Wilkinson.

I joined the Sportsman's Club around 2003. I moved back to Missouri in 1994 when I purchased a restaurant in Fulton. I was on the Fulton city council from 1999 till 2005, when I moved to Holts Summit. I retired from the Missouri Department of Corrections in 2021. I was an extraditions and retrieval officer. I was also a first aid, firearms, and flying armed instructor. I have been an RSO for 5 years. I enjoy the pistol and rifle ranges. I would like to become more involved with the club in its growth and education programs. Your support is greatly appreciated.
