

News update March 16, 2025

We're going to have an open house at the rifle range (weather permitting)!! April 12, 2025, from 1pm to 4pm.

We are going to publicize this, hoping for a big turnout and maybe some new members.

Polish dogs, hot dogs, chips, and soft drinks will be provided.

We would like to see at least one more and possibly two RSOs help RSO Erik Janeczko control the range. If we have a big turnout, I'm sure Erik would like the help. Please consider signing up for this event.

For those of you that have any of the following: silencers, any thermal or inferred scopes, chronographs, etc., etc., and would like to share/demonstrate it with your fellow RSOs, USC members, or the public, please consider showing up. A stranger is a friend you haven't met yet.

I'm planning to bring equipment to reload ammo if you wish to give it a try.

We hope by next week we will have the live calendar up and going. We beta tested it, and every person would need to email me for a password to get into the system for setup. We think Justin Weckenborg has figured it all out so we can begin the next step.

Yesterday we received a call from an RSO stating they couldn't work their shift. This is the third time we have received a call like this. To alleviate any confusion in the future we would like to outline what an RSO must do if they can't fulfill the date they selected.

- Go to the USC website (<https://jeffcityusc.com/>)
- Find the top banner, second one over that says RANGES
- Click on it. Select CERTIFIED RIFLE RANGE SAFETY OFFICERS
- If it asks for a password use **riflesro**
- Select the person(s) you wish to call to fill your date

Please continue helping us open the range to the USC membership that doesn't have a key and can only use the range when a RSO is on duty.

We haven't had a big problem with this so far. We would like to keep it to a minimum. We know there will be emergencies and I'm not implying the range should come first in that situation, but in normal instances you are responsible for your replacement.

Thanks for all you do. From Terry, Larry, and Jerry
