

My name is Randy Pierce, and I'm seeking your support for reelection to the United Sportsmen Club's Board of Directors.

I have been a proud member of the Club since 1979 and am currently serving on the Board of Directors as well as being Co-Chairman of the lake committee. Over the years, I've witnessed the Club grow and improve in many positive ways – and I remain committed to contributing to its continued success.

Throughout my time here, I've participated in every shooting discipline the Club offers. I truly believe we have one of the finest shooting sports facilities in the State, if not the best. I'm especially passionate about our efforts to engage and encourage Youth participation in all the shooting sports – a key part of keeping our traditions strong and our future bright.

As a retiree, I now have even more time to dedicate to the Club. I'm actively involved and eager to help guide ongoing improvements – whether it's maintaining and upgrading our roads, buildings, or ranges, or continuing to ensure a safe and enjoyable environment for all members.

Your annual membership dues are being invested wisely and I want to continue helping make sure those investments enhance the Club's value for everyone.

I would sincerely appreciate your vote, so I may continue to represent you on the Board and help preserve and grow the outstanding facility we all enjoy – now and for generations to come.

Thank you for your support.
