

My name is Todd Walters and I have been a member of USC for 14+ years. We joined as a family when our son was participating in 4H Shooting Sports. With the help of 4H I became a NRA Range Officer and volunteered my time to assist the other 4H coaches as our son progressed through 4H for 4 years. As our son aged out of 4H Shooting Sports we joined the United States Practical Shooting Association, USPSA, and I am currently a USPSA Range Officer. I have been on the Board of Directors previously but took a few years off to deal with my aging parents. I am currently the Pistol Range Chairman and would like to have your support to get back on the USC Board of Directors to help represent the club's pistol shooters, youth shooting sports, and other interests of our members. I appreciate your vote.
